# Our Past Performance

## Defense Health Agency (DHA) Financial Operations Support Contract

Contract # HT0011-20-C-0017

MDC is the lead contractor providing support to the DHA. This includes the Defense Health Program (DHP), which leverages a **\$43B budget** to support over **125K** military and civilian personnel. The DHP services **49** hospitals, **427** medical clinics, and **246** dental clinics around the globe to support the Military Health System's **9.6M** beneficiaries. MDC provides functional support in budget execution, funds control, financial analysis, accounting operations, programming, and fiscal policy and compliance.

### Director,

*ASD HA -Health Affairs Functional Champion,  
Defense Health Agency*

"MDC personnel have been professional and committed to mutual success. They have been responsive and committed to our requirements."

## DHA MHS Transition Support Contract

Contract # HT0011-20-C-0014

MDC is an integral component supporting the ongoing MHS Enterprise consolidation and transformation efforts.

MDC developed and implemented standardized business processes that are applied across the MHS Enterprise.

We are currently developing capabilities that support planning, programming, budgeting, and execution requirements. This will enable the DHA to assume authority, direction, and control of **49** hospitals, **427** medical clinics, and **246** dental clinics around the globe.

### Executive Director for Business Operations,

*National Capital Region Medical Directorate*

"[MDCs] brilliant analysis and pragmatic approach to reducing budget deficits was truly innovative and defined the requirements that need to be resourced for the market. For the first time in a long time, the NCR will have defined funded programs that won't rely on additional end-of-year dollars at DHA or the generosity of excess cash from the services."

## Assistant Secretary of Defense for Health Affairs GFEBS Deployment Support Contract

Contract # HT0011-18-C-0020

MDC leads the deployment efforts for DHA Enterprise as they transition from legacy financial and logistics systems to GFEBS and the Automated Time Attendance and Production System (ATAAPS).

To date, **MDC has transitioned over 6,000 end users globally**, along with more than **50,000 DoD civilians**.

### Chief, DHA Financial Operations Division,

*Defense Health Agency*

"[MDC] built, reorganized, and cleaned up the HO financial programs literally from scratch... we now can provide the Director of the Agency a true financial picture"
